REMARKS/ARGUMENTS

This Supplemental Amendment amend paragraph 25 of the specification as indicated in the Remarks accompanying the Amendment filed July 27, 2006. The amendment to paragraph 25 per se was inadvertently omitted and brought to applicants' attention by way of a telephone call from the Examiner on this date. Since the Amendment of July 27, 2006, was a bonafide response to the outstanding Official Action, the mere supplementing of that response to supply an inadvertently omitted change should not require any additional fees and/or petitions on applicants' part.

Nevertheless, the Commissioner is hereby authorized to charge any deficiency in the fee(s) filed, or asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Account No. 14-1140.

Respectfully submitted,

NIXON & VANDERHYE P.C.
